Project: Middleton and Orchard Signal Project

Subject: Notice of Construction Activity & Road Closure

To Whom It May Concern:

Knife River will be working on the Middleton and Orchard Signal Project for the Nampa Highway District No. 1 (NHD). Beginning January 3rd, 2022, Knife River will be closing access to the intersection of Middleton and Orchard to all traffic other than residents who reside in the vicinity of the intersection. The intersection closure is expected to be completed by June 24th, 2022. During this time, you may experience unusual traffic patterns in the area due to the road closure and detour routes laid out by the project. This work will be done in a timely and workman like manner and will be coordinated with the Nampa Highway District. Listed below is the Knife River office who will be able to assist you with any questions or concerns throughout the construction process.

If you have any questions regarding this correspondence, please contact our office at **(208) 362-6152**.
