

NAMPA HIGHWAY DISTRICT NO. 1

Commissioners: Dick Smith, Randy Noble, Bryce D. Millar

September 14, 2020

Subject: Public Involvement Meeting for Robinson Road & Locust Lane Roundabout

Dear Property Owner:

Nampa Highway District has been monitoring the intersections throughout the district for potential safety and capacity concerns. We have identified the Robinson Road and Locust Lane intersection as one that may benefit from some improvements, and potentially a roundabout.

We have completed two initial concepts for the project and would now like to invite you to a Public Involvement Meeting to solicit feedback. We only evaluated single lane roundabout options to maintain consistency along the Robinson Road corridor. The preferred alternative would center the roundabout on the existing intersection, while the second alternative offsets the roundabout to the northeast.

Due to the current social distancing guidelines in relation to the pandemic, we will be holding a virtual Public Involvement Meeting online. Please join us on **Monday evening, September 28, 2020 at 6:00 pm** (for approximately 1-hour). You can gain access to the meeting by joining us by using the following credentials:

<https://www.zoom.us/join/>

Meeting ID: 760 549 5543

Passcode: 8520

We will be recording the meeting for those who are unable to join us live during this virtual public involvement meeting.

We are always appreciative of any feedback that you may have. Please contact me at 467-6576 or nick@nampahighway1.com if you would like access to the video recording or if you have any further questions or concerns.

Sincerely,

NICOLAS J. LEHMAN, P.E.
Assistant District Engineer
