CHERRY LN. BETWEEN NORTHSIDE BLVD. AND FRANKLIN BLVD. To Be Closed for Construction

The Nampa Highway District will close Cherry Ln. north of Nampa, between Northside Blvd. and Franklin Blvd. for utility installation and pavement rehabilitation. The closure will start Monday, April 24th and is scheduled to last four weeks. Work will consist of installing sewer, water and pressurized irrigation lines, followed by grinding up, reshaping and compacting the existing pavement. The road will then be repaved with a new asphalt surface later this summer.

All surrounding residences and businesses will be accessible throughout the project, but east-west through traffic will be detoured around to Ustick Rd. or Birch Ln.
