

NAMPA HIGHWAY DISTRICT NO. 1

Commissioners: Dick Smith, Randy Noble, Bryce D. Millar

July 17, 2017

Subject: **Happy Valley Rd. & Victory Rd. Roundabout Project – Open House**

Dear Patron:

You are invited to attend an Open House regarding the design of a project to build a roundabout at the intersection of Happy Valley Rd. & Victory Rd., east of Nampa. The Open House will be held Wednesday, July 26, 2017, from 4 pm to 7 pm at the Mission Aviation Fellowship, 112 N. Pilatus Ln., Nampa.

The intersection is currently an all-way-stop configuration, and is a frequent point of congestion. It was also a high crash location prior to installing the all-way-stop in January 2016. The project is intended to improve traffic flow through the intersection while maintaining the current negligible crash rates. It will also relocate the intersection approximately a tenth of a mile south of its current location, to avoid the approach path to the Nampa Airport runway.

At the Open House, you will be able to view displays, ask questions and make comments. There is also information on our web site at www.nampahighway1.com; for project specific information, click the “Future Projects” tab on the left, and then the “Happy Valley & Victory” tab in the dropdown menu; for general literature and videos on roundabouts, click the “Roundabouts” tab on the left. If you cannot attend but have questions or comments, please contact me at (208) 467-6576 or at eric@nampahighway1.com.

Persons needing an interpreter or special accommodation should contact the District at (208) 467-6576. Se les recomienda a las personas que necesiten un intérprete o arreglos especiales que llamen a el Oficina del Distrito, al (208) 467-6576.

Sincerely,

ERIC R. SHANNON, P.E.
District Engineer
