ORCHARD AVE. BETWEEN MIDWAY RD. AND MIDDLETON RD. To Be Closed for Culvert Replacements

The Nampa Highway District has closed Orchard Ave. between Midway Rd. and Middleton Rd. to replace irrigation and drain culverts. The closure started today and will run through the first week of December. This work is in preparation of a project to rehabilitate and repave Orchard Ave. next summer.

All surrounding properties will be accessible throughout the project, but will only be approachable from a single direction. East-west through traffic will be detoured around to Smith Ave. or Flamingo Ave.
