HAPPY VALLEY RD. & VICTORY RD. ROUNDABOUT PROJECT Open House

The public is invited to attend an Open House regarding the design of a project to install a roundabout at the intersection of Happy Valley Rd. & Victory Rd. east of Nampa. The Open House will be held Wednesday, July 26, 2017, from 4 pm to 7 pm at Mission Aviation Fellowship, 112 N. Pilatus Ln., Nampa.

The public will be able to view displays, ask questions and make comments. Those unable to attend are welcome to contact District Engineer Eric Shannon with any questions or comments. He can be reached at (208) 467-6576 or eric@nampahighway1.com. Project specific and general roundabout information can also be found on the district web site at www.nampahighway1.com.

The intersection is currently an all-way-stop, and is a frequent point of congestion. It was also a high crash location prior to installing the all-way-stop in January 2016. The proposed project is intended to improve traffic flow while maintaining the current negligible crash rates. It will also relocate the intersection approximately a tenth of a mile south of its current location, to avoid the approach path to the Nampa Airport runway.
