MIDDLETON RD. & ORCHARD AVE. SIGNAL PROJECT Open House

The public is invited to attend an Open House regarding the design of a project to widen and signalize the intersection of Middleton Rd. & Orchard Ave. in Nampa. The Open House will be held April 16, 2015, from 4 pm to 7 pm at the Nampa Church of the Brethren, 11030 W. Orchard Ave., Nampa.

The public will be able to view displays, ask questions and make comments. Those unable to attend are welcome to contact District Engineer Eric Shannon with any questions or comments. He can be reached at (208) 467-6576 or eric@nampahighway1.com.

The intersection currently consists of a two-lane, all-way-stop configuration, and is a frequent point of congestion. The proposed project will improve flow through the intersection by installing traffic signals and additional travel lanes. It will also install new curb, gutter and sidewalk.
